This is a rent to own building. The contract can be cancelled at any time, either by customer request, in writing, or by Rent to Own National if payments are not made. Until the building is paid in full, it remains the property of Tent to Own National. Therefore, there must be access to delivery and removal of the building, in the event that the contract is cancelled by any party. Rental will also include insurance on the building.

You may make reasonable improvements to the building, but in the event the building is returned, no allowances will be given for the improvements.
